

TPHS 3D Printer Use Log

For each 3D print job you start, complete the following information. This will help us keep track of printer use as well as be able to better plan jobs and know who to contact about completed, interrupted, or failed prints.

Date:	Printer (circle one): Left or Right	First and Last Name:	Phone Number or Email:
Time Started:	Estimated Print Time:	Item Description:	Class or School Activity:
Approx. End:	Finished Height (mm):		Teacher:
Notes:
